## DANGER FROM GRIPPE

Lies in That Cough and Weak, Worn  
Out Condition.Grippe, pleurisy, pneumonia, these  
are greatly to be feared at this time  
of the year.To prevent grippe from being fol-  
lowed by either pleurisy or pneumo-  
nia, it is important to drive the last  
traces of it out of the system quick-  
ly.Our advice is to take Vinol, our  
delicious cod-liver and iron prepara-  
tion without oil, and get your  
strength and vitality back quickly.Mrs. A. A. Crabill, of Strasburg,  
Va., says: "Grippe left me weak, run-  
down and with a severe cough from  
which I suffered four years. I tried  
different remedies, but nothing seemed  
to do me any good until I took Vinol,  
from which I received great bene-  
fit. My cough is almost entirely gone,  
and I am strong and well again, and  
I am glad to recommend Vinol to oth-  
ers who suffer as I did."Try Vinol with the certainty that  
if it does not benefit you we will give  
back your money. Stone & Mercer,

## FREE TRIP

Contest is to Be Conducted by  
the Southern Commer-  
cial Congress.WASHINGTON, D. C., May 5.—  
A unique contest was today in-  
augurated by the Southern Commer-  
cial Congress, which offers fifteen  
free trips to the Panama canal for  
the best suggestions for a memorial  
to commemorate the opening of the  
canal. The announcement was made  
today by Senator Duncan U. Fletcher,  
of Florida, president of the Con-  
gress.The Congress believes the com-  
pletion of the canal should be marked  
by some suitable memorial, and the  
contest will arouse interest in the  
study of the trade relations of the  
canal to the United States, Latin  
America and the world.The memorial can take any form, a  
statue, an international celebration,  
a book, a convention—anything that  
the jury of award decides is the best  
suggestion to commemorate comple-  
tion of the canal.Secretary of State Bryan and John  
Barrett, director general of the Pan-  
American Union, with others to be  
selected by themselves, will consti-  
tute the jury of award. They will  
decide the fifteen best suggestions.The trips to the canal will be  
made in October next from Mobile,  
Ala., where the fifth annual conven-  
tion of the Southern Commercial  
Congress will be held, coincident  
with the opening of the canal. At  
this convention the American com-  
mission of the Congress, which sailed  
April 26 for a three months' tour of  
fourteen European countries to  
study agricultural co-operation and  
co-operative rural banking, will  
make a report of its investigations.Great preparations are now being  
made at Mobile for the convention.  
Many of the 10,000 delegates who  
will attend the convention will make  
trips to the canal. After the con-  
vention the Southern Commercial  
Congress will continue a tour of sev-  
eral hundred business men through  
the South and Central American  
countries to study at first hand new  
trade conditions and possibilities  
that will come with the opening of  
the canal.The contest is open to any news-  
paper, chamber of commerce, board  
of trade, commercial organization,  
college or high school, or individual.  
Each suggestion for the memorial  
should, if possible, be printed in  
some newspaper and a copy of the  
newspaper containing the suggestion  
must accompany the letter of each  
contestant. Each suggestion must  
be limited to 100 words. The con-  
test closes July 15. The awards  
will be announced within thirty  
days thereafter. All suggestions  
should be addressed to "Contest De-  
partment," Southern Commercial  
Congress, Southern Building, Wash-  
ington, D. C.
